About us

We, the company alldoro, are a German toy supplier with many years of experience in the industry.

With our extensive range, we have specialized in the field of outdoor and activity toys. Our focus is on educational toys that inspire children and promote their cognitive and social development.

We always strive to pick up on the latest trends and innovations in order to offer you and your customers a contemporary and exciting range.

Quality & Safety

All of our toys are carefully selected and meet current quality and safety standards. The safety of children is our top priority.

Range

We offer a wide range of toys for children of all ages that can be played with indoors and outdoors. From soap bubbles to sports & leisure to interactive globes - we have a large selection.

Pedagogical added value

Our products are not only entertaining, but also educational. They support children's cognitive, social and motor development.

Why are we the ideal partner for you?

Trends & Innovations

We constantly keep up to date with the latest trends and innovations in the toy industry so that we can always offer you the latest and most popular products.

Customer service

We attach great importance to personal support and individual advice. Our dedicated team is always available to answer your questions and help you choose the right toys.

Sales promotions

We present our products in a uniform and attractive packaging layout. We would be happy to create individual campaigns for you with display and pouring solutions.

Point of Sale

In addition to traditional distribution channels, we also supply our customers - wholesalers, online retailers, chain stores, nursery suppliers, etc. - via dropshipping.

We offer our products in a standardized packaging design, presented in a chute or display. Individually tailored to your needs.
